Davron Staffing, Inc.  
4202 W. Linebaugh Ave.  
Tampa, FL 33624

Dear Davron Staffing:

I am writing to express my pleasure and satisfaction with the way Davron Staffing has stepped in so quickly and efficiently to provide excellent service to ms consultants, inc., in our effort to expand and improve our engineering staff. In this market, with so many companies touting their business expertise and overstating their abilities to produce, it is nice to do business with a company that professionally and quietly provides excellent candidates for our consideration and review.

The way that Davron Staffing does business instills confidence to me that our corporate hiring policies and procedures will be honored. I know that my time is being spent in a worthwhile and productive manner when you send me resumes and indicate that through your screening process a candidate would be a good fit in our environment. I have never felt that you have wasted my time or misused our growing business relationship to "sell" us an inferior candidate. I have worked with numerous staffing companies throughout my career and it is a pleasure to work with a company that respects my time and allows our internal process to move along in an efficient and effective manner.

If I can ever serve as a reference for your company, please let me know. It would be a pleasure to contribute to the success of Davron Staffing, Inc. as you have definitely contributed to the success and future of ms consultants.

Sincerely,

A handwritten signature in black ink that reads "Marian Jones".
